

Partnership Opportunities

As an ASHG Corporate Partner, you will:

- Advance human genetics by supporting awards and programs that promote excellence in human genetics research, education, and advocacy.
- Improve your brand's visibility and image within the field of human genetics, leading to increased sales and enhanced business development opportunities.
- Demonstrate your company's values and leadership by supporting programs that align with your corporate responsibility interests and goals.
- Attract talent and improve employee morale by showing your commitment to the human genetics and genomics workforce and field.

ASHG Corporate Partners may choose to support all ASHG's awards and programs through a contribution to the ASHG Annual Fund or to designate support for a specific award or program.

Charles Epstein Trainee Awards for Excellence in Human Genetics Research: Recognize excellence in research conducted by pre- and post-doctoral trainees. Sixty semifinalists receive \$750 plus complimentary meeting registration; eighteen finalists receive an additional \$250, and six winners receive an additional \$1,000 each.

Developing Country Awards: Support participation in the ASHG Annual Meeting of individuals living in countries with low-income or lower-middle-income economies. ASHG currently provides 10 travel awards of \$3,000 each to international geneticists in need of financial support to attend the in-person Annual Meeting in the United States.

Human Genetics Scholars Initiative: Builds and supports a community of underrepresented human genetics researchers through a two-year mentored program focused on professional development and financial support of high-potential, diverse, early-career genetics researchers.

ASHG Corporate Partners also receive the following benefits in recognition of your generous contributions.

RECOGNITION & BENEFITS	FRIEND (\$5,000)	BENEFACTOR (\$10,000)	LEADER (\$25,000)	EXECUTIVE (\$50,000)
